RE: Demand for Payment of Attorney Fees and Costs.

Dear Tribal Council Members:

I am submitted the enclosed invoice that needs to be paid or arrangements made within ten (10) days of receipt of this formal demand letter. I worked pursuant to our contract which states that your sovereign immunity is waived and that the situs of the contract is the State of Wisconsin in cases of a dispute.

I preformed legal work in "good faith" on behalf of all three (3) of you and your decision to work with another attorney does not relieve you of your responsibility to make payment in full for my office's services.

If I do not receive a response to this demand letter I will be turning this matter over to my collection attorney to bring a lawsuit against you in the State of Wisconsin for judgment against you for what is owed , in addition to legal fees and costs associated with collection.

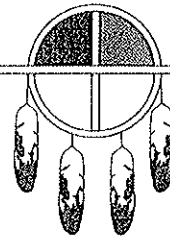

Sincerely,

A handwritten signature in blue ink, appearing to read "Gary J. Montana", with a long horizontal flourish extending to the right.
