

LOWER BRULE SIOUX TRIBE
LOWER BRULE SIOUX INDIAN RESERVATION
LOWER BRULE, SOUTH DAKOTA

IN TRIBAL COURT

14-0119

ORVILLE LANGDEAU, JR., AND
JOHN MCCAULEY, SR.,

Plaintiffs,

PLAINTIFFS' OBJECTIONS
AND POINTS

v.

KEVIN WRIGHT, SONNY ZIEGLER,
AND DESIREE LAROCHE,

Defendants.

Comes now Terry L. Pechota, attorney for plaintiffs, and for his objections and points, states and alleges as follows:

1. The clients have previously objected to a continuance of the hearing scheduled for Friday, October 2, 2015, a copy of which is attached.
2. Steve Emery participated in one of the meetings that was held in violation of the Court's order on quorum and necessary votes. He will be a witness. Therefore, he cannot represent the defendants.
3. Steve Emery indicates in one of his proceedings he is representing the Tribe. This needs to be clarified. He has never been hired to represent the Tribe.
4. If a continuance is granted, then the Court should reaffirm its previous orders and holdings that no business can be conducted without a quorum of 5 and 4 positive votes in favor of any action taken. In addition, Lewis Grassrope's appointment as Chairman should be set aside because there was not a quorum nor four votes in favor.

Dated September 29, 2015.

RE: Request for extension from October 2, 2015 until October 8, 2015.

It is our understanding that you have granted a continuance for case #CIV-15-9-0111 until October 8, 2015. We must object to this continuance due to numerous factors. Mr. Pechota is in a hearing for the balance of the day.

1. Stephen C. Emery will most likely be called as a witness in an evidentiary hearing. Therefore he should not be able to represent the defendants.
2. The defendants were given until September 24th to reply to the order dated September 14, 2015.
3. The actions of the defendants are having detrimental effects on the Lower Brule Sioux Tribe and cannot be delayed any further.
4. Isn't Gary Montana the attorney of record? Why is the court granting an extension to an attorney who is not the attorney of record?
