MEMORANDUM

This is in response to Orville (Red) Langdeau jr's., Sept. 3, 2015 memo, To all tribal entities and staff. Whereas Orville Langdeau jr quoted a couple of 1986 tribal constitution amendments. In relation to, 2/3 majority vote of the tribal council requirement and (5) council members constitutes a quorum. Apparently Orville Langdeau jr over looked at least one other sept. 2, 1986 constitutional amendment. which eliminated the off reservation tribal council representative. Orville Langdeau jr has also ignored a fundamental article of the constitution that states

The Lower Brule Reservation as established by the act of march 2, 1889.

Orville Langdeau jr does not reside within the reservation boundaries established by the 1889 act. And the Tribal Council nor Tribal Courts have the authority to define Federal Law. Only U.S. Federal Courts have authority to define Federal Laws.

The Tribal Council is discriminating against about 1,399 off reservation tribal members residents. By overriding the constitution, to allow non resident Orville Langdeau to vote and be on the Tribal Council. There for its in the best interest of the people to address this issue of violations of our Constitution and bylaws in all instances of corruption.

Kevin Wright, Vice Chairman
